### TOPIC: MAKING SENSE OF SAFETY CULTURE: IDENTIFYING COMMON THEMES AND MOVING FORWARD.

**Dr. Tristan Casey**  
Senior Lecturer  
Middlesex University,  
London

Dr Tristan Casey is an expert in safety leadership and organisational culture. With a career in workplace health and safety spanning over 15 years, he has consulted nationally and internationally across a diverse range of industries such as law enforcement, local government, utilities (water and power, including renewables), offshore oil and gas, construction, and manufacturing. He is an endorsed Organisational Psychologist with two doctoral degrees, including his PhD that involved development and validation of the award-winning LEAD model. His passion is translating abstract/theoretical concepts into practical tools that have measurable impact. He is skilled at forming collaborative and mutually beneficial partnerships between government, industry, and academia. He is also a highly regarded international speaker, having keynoted at more than 15 industry events and presented at over 100 conferences, workshops, and forums.
