TOPIC: PROCESS SAFETY MANAGEMENT IN A PETROLEUM REFINERY

Chandrasekhar N
Chief General Manager
(Operations)
BPCL Mumbai Refinery

Mr. Chandrasekhar N is the Chief General Manager (Operations) at BPCL Mumbai Refinery and is a Chemical Engineering professional with 30 years of rich experience in Refinery Operations, Process Engineering, Process Optimization, Refinery Economics, Oil Movement & Storage, Project Engineering, HSSE, Reliability, and Digital Technology. He was instrumental in the commissioning of many projects, including the Integrated Refinery Expansion Project, which made Kochi Refinery, the highest crude oil processing Oil PSU refinery. As a manufacturing in charge of Bina Refinery, he contributed to improving the on-stream availability of all the process units, which resulted in the strong financial performance and handled the first turnaround of BORL successfully. He is currently the Head of Operations at BPCL Mumbai Refinery.
