

CALL FOR PAPERS

9th International Conference on Power Systems (ICPS) - 2021

December 16 - 18, 2021 | IIT Kharagpur, India

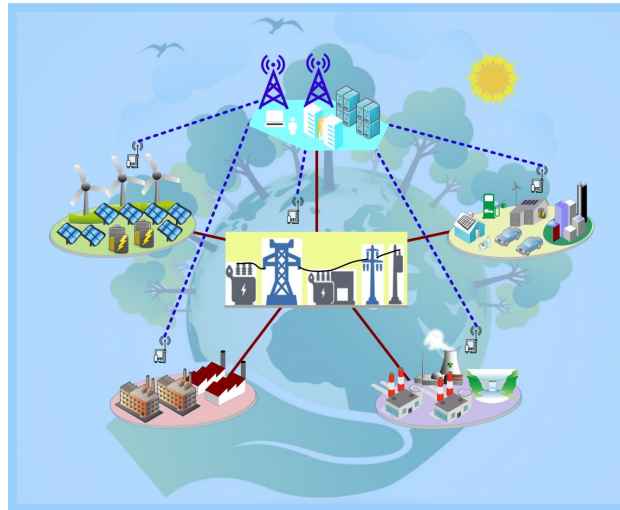

Developments towards Inclusive Growth for Sustainable and Resilient Grid

Conference will have virtual component with online presentation mode for contributory papers and invited talks.

SCOPE

- Artificial Intelligence & Machine Learning Application to Power Systems
- Data Analytics & IOT in Power Systems
- Demand Side Management & Energy Management
- Electric Vehicle & Charging Infrastructure
- Energy Management for Microgrids
- Energy Storage Materials & Systems & their Grid Integration
- Generation, Load & Price Forecasting
- Generation, Transmission & Distribution System Technologies

SCOPE

- HVDC & FACTS
- Power Electronics, Control & Automation
- Power System Flexibility, Security & Resiliency
- Power System Optimization & Economics
- Power System Operations, Planning & Reliability
- Power System Stability & Protection
- Renewable Integration & Ancillary Services
- Smart & Sustainable Grids
- Solar PV Materials & Systems
- Wide Area Monitoring & Control

IMPORTANT DATES

Paper submission deadline - 15 July 2021

Notification of paper acceptance - 31 August 2021

Camera ready paper submission deadline - 30 September 2021

Registration opens - 15 September 2021

Accepted and presented papers in ICPS2021 will be submitted for inclusion in the IEEE Xplore online digital library. Further, authors of selected papers may be invited to submit extended versions of their manuscripts for consideration in the IEEE periodicals.

Visit <http://www.icps2021.iitkgp.ac.in/> for details and updates.
